TO WHOM IT MAY CONCERN

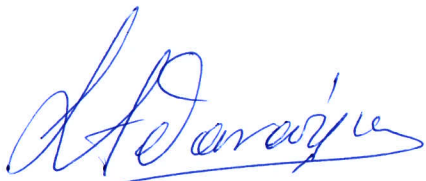

We would like to confirm that the Department of Forensic Medicine and Toxicology of the National and Kapodistrian University of Athens employed PCO CONVIN to organize the 1<sup>st</sup> Regional Meeting of The International Association of Forensic Toxicologists (TIAFT) that took place in Athens, Greece on the 16<sup>th</sup> and 17<sup>th</sup> of May 2018.

PCO CONVIN handled the whole organization of the meeting efficiently and in the best possible professional manner. All its employees were extremely responsible, friendly, and enthusiastic for their job and solved all the problems that appeared before and during the meeting in the best possible way. All services were of high quality and were completed on time. The overall cooperation with PCO CONVIN was very positive and their contribution to the success of the Meeting was imperative.

We strongly recommend PCO CONVIN as an efficient collaborator to anybody who wants to organize an outstanding, high quality scientific event.
